FIRST MID BANK & TRUST APPLICATION FOR CREDIT AND LOAN AGREEMENT

You promise to pay to First Mid Bank & Trust, N.A., ("First Mid"), or its successors or assignees at PO Box 499, Mattoon, IL 61938, the outstanding principal balance and accrued interest on this Credit Application and Account Agreement (hereinafter the "Agreement") as agreed and further described below. The words you, your, and yours mean each person and/or entity who applies for and is granted credit pursuant to this Agreement. You authorize Galena Genetics and its successors and permitted assigns ("Merchant") who has been approved by First Mid to conduct business pursuant to one or more written agreements with First Mid to submit proof(s) of your purchase(s) of products and/or services and for First Mid to provide advances in payment of such purchases under this Agreement (each hereinafter an "Advance" or "Advances") and you authorize First Mid to advance, at its option, under this Agreement sufficient funds to satisfy any outstanding obligations to Merchant. Advances shall be equal to the amounts identified on the invoices or other proofs of purchase, sale or delivery submitted by the Merchant to First Mid. You understand and agree that First Mid may rely on all invoices or other proofs of purchase, sale or delivery submitted by the Merchant whether such invoices or other proofs of purchase, sale or delivery are submitted verbally, in writing or electronically to the same extent as if you had personally signed a receipt for such purchase or other request for payment. Each Advance is deemed to be an advance of funds to you under this Agreement.

Conditions: You understand that no Advances will be made until this Agreement is approved by First Mid. You understand that First Mid may at any time discontinue your ability to receive Advances or have Advances made on your behalf under this Agreement if any of the following occur: 1) if the total of any invoice or other proof of purchase, sale or delivery, when combined with the current principal balance of this Agreement, would cause the amount due on this Agreement to exceed the maximum credit limit approved by First Mid; 2) the Draw Period (as defined herein) has passed; 3) you are in default of this Agreement, any of the Security Documents (as defined herein) or any supporting loan documents; 4) the request is not allowed under the then currently existing policies and procedures of First Mid in effect under this financing program; or 5) there has been a material adverse effect in your ability to satisfy your obligations to First Mid, as determined solely by First Mid. You agree that First Mid may renew or extend (repeatedly and for any length of time) this Agreement or release any party or guarantor and take any other action deemed necessary by First Mid without the consent of or notice to anyone.

Credit Limit: When the Agreement is approved by First Mid, First Mid shall then notify you of its approval and the applicable Draw Period (as defined herein). You understand that the maximum amount of credit available to you at any one point in time will be identified in the approval letter or other notice issued by First Mid, and regardless of the amount specified in this Agreement, the actual credit available hereunder shall not exceed the credit approved by First Mid. However, First Mid may, in its sole discretion, make an Advance for purchases in response to your request which exceeds such limit. You can make such a request by calling 833-594-0323 or emailing merchantfinancing@firstmid.com. In such cases, you agree that all such Advances shall be covered by all the terms and conditions contained in this Agreement, the Security Documents (as defined herein), if any, and any other agreements between you and First Mid.

Draw Period: The Draw Period is the time period during which Advances may be made under this Agreement. First Mid may modify the Draw Period at its sole discretion. First Mid may, in its sole discretion make an Advance for purchases in response to your request which exceeds the Draw Period. In such cases, you agree that all such Advances shall be covered by all the terms and conditions contained in this Agreement, the Security Documents (as defined herein), if any, and any other agreements between you and First Mid.

Disclaimer or Warranties: You agree that purchases financed by First Mid have not been produced or manufactured by First Mid. You acknowledge that you are purchasing the products and/or services from the Merchant and not First Mid. You understand and agree that First Mid is financing the purchase for you on an as-is, where-is basis without any warranty, expressed or implied, by First Mid. This includes any IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND/OR FITNESS FOR ANY PARTICULAR PURPOSE. You understand that the products and/or services may be covered by warranty of the Merchant. Such warranties are usually in writing and attached to the product or their containers. You understand that such warranties may be limited and that you will direct any questions or complaints directly to the Merchant and that you will not raise any defenses to this Agreement based upon the products or services you have purchased.

Return of Purchases: You agree that if you return a purchase financed through the use of this Agreement, you will return the purchase to the Merchant and you will cause any and all payments or credits for all refund amounts, as determined by that the Merchant policies, to be sent directly to First Mid. Any such returns and refunds will not diminish or otherwise affect your obligation to First Mid for the repayment to First Mid of any and all monies advanced on your Agreement, including, but not limited to, monies owing on account of the financing of the purchases returned unless and until such credit is received by First Mid.

Interest Rate: The initial interest rate on this agreement is 0.00% ("0% Offer") through 12/15/2024 (Maturity Date). The 0.00% interest rate for the 0% Offer is effective until the stated Maturity Date of the loan. Beginning the day following the Maturity Date, the rate will convert to Wall Street Journal U.S. Prime Rate (WSJP) + 1.50%, floating, for any unpaid balance of the loan. You are responsible for and will be billed for all interest charges that incur until the loan is paid off. To qualify for the 0% Offer, you must advance funds prior to 12/31/2023.

For advances dated 1/1/2024 or after, your interest rate is WSJP + 1.50%, floating, through the Maturity Date. The interest rate applicable to any extension or renewal of this Agreement will be determined at the time of the extension or renewal and may differ from the current interest rate.

Based on the interest rate in effect in this Agreement, if applicable: 1) You agree to pay interest from the earlier of a) the time of an Advance or b) the date on which First Mid becomes obligated to make an Advance on your behalf (each a "Time of Each Advance") regardless of whether or not you actually obtained possession of or received the product or service on that date, subject to any applicable grace periods. 2) The interest rate is subject to change from time to time based on changes in an independent index which is the base rate on corporate loans posted by at least 70% of the 10 largest U.S. Banks known as the Wall Street Journal U.S. Prime Rate (the "Index"). The Index is not necessarily the lowest rate charged by the Lender on its loans. If the Index becomes unavailable during the term of this Agreement, First Mid may designate a substitute index after notifying you. First Mid will tell you the current index rate upon request. 3) The interest rate change will not occur more often than each day. 4) You understand First Mid may make loans based on other rates as well.

Interest Calculation Method: Interest, if applicable, is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Agreement is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Agreement.

Payments: Failure to make any payment on time may be considered a default under this Agreement. The sooner you pay the balance shown on your Billing Statement, the less you will pay in interest, if applicable. Instructions for making payments are on your Billing Statement. In order to be credited as of a particular day, your payment must be received by First Mid by the date and time specified in the Billing Statement. Do not send cash payments. First Mid can accept late or partial payments, as well as payments that reflect "paid in full" or other restrictive endorsements, without losing any of its rights under this Agreement. You may, at any time, prepay the balance due under this Agreement in full or make partial repayments hereon, without penalty or premium. An increase in the variable rate will have the effect of increasing the payments due.

Maturity Date: The Maturity Date is the date in which the Advance is due in full ("Maturity Date"). The Maturity Date shall be identified to you by First Mid on the Billing Statement (as defined herein). Failure to pay this amount on the Maturity Date constitutes a Default under this Agreement.

Payment Application: First Mid shall apply payments in its sole discretion. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; and then to any late charges or fees. You will pay First Mid at PO Box 499, Mattoon, IL 61938 or at any such other place as First Mid may designate in writing.

Billing Statement: Your billing statement, as prepared by First Mid, shows the total balance, any interest charges, fees, costs, the minimum payment due and the payment due date ("Billing Statement" or "Billing Statements"). If First Mid deems your account uncollectible or if First Mid initiates collection proceedings, First Mid, in its sole discretion, may stop sending you Billing Statements. However, interest charges, fees and costs will continue to accrue regardless of whether First Mid sends you Billing Statements. First Mid will send Billing Statements to you on dates and intervals as determined by First Mid. If you believe there is an error on your Billing Statement, you must notify First Mid, in writing, at PO Box 499, Mattoon, IL 61938. Notify First Mid of any changes in your mailing address and/or name by contacting First Mid at the phone number or email address shown on your billing statement.

Changes to Your Account Agreement and Credit Limit: Except as otherwise prohibited by law, at First Mid's discretion, First Mid may change your credit limit, Maturity Date, fees, costs, interest rate, or other terms of your Agreement at any time. First Mid will notify you of any change to your Agreement by sending you a separate notice. A change may take effect before you receive notification from First Mid. You may request a change to your credit limit by contacting First Mid at 833-594-0323 (reference "Direct Merchant Financing") or at any subsequent telephone number as may be shown on your Billing Statement. First Mid may require additional documentation from you before approving or denying changes you request to your credit limit. First Mid can add or delete provisions relating to your Agreement and to the nature, extent and enforcement of the rights and obligations First Mid or you may have relating to this Agreement. These changes are binding on you.

Security Documents: This Agreement shall be secured by any existing and future security agreements, mortgages, deeds of trust or other pledges of collateral (the "Security Documents") between First Mid and you, if any. You understand that First Mid may require a pledge of collateral to secure the credit or financing applied for in the event that you fail to meet First Mid's criteria for providing unsecured credit or financing.

Security Interest: In addition to any other security pledges granted to First Mid, you grant First Mid a purchase money security interest in all purchases financed under your Agreement and the proceeds of the purchases, including insurance proceeds. First Mid's security interest continues until the purchase is paid for in full by application of your payments in the manner described in this Agreement.

Default: You understand that you will be in default of this Agreement if any one or more of the following events occur: 1) you fail to make payment of the amount due 30 days after the Maturity Date; 2) you fail to keep any other promise, under this Agreement or any other loan document, with First Mid; 3) you are in default pursuant to the terms of any other loan or loan document you have with First Mid; 4) any other creditor of yours attempts to collect the debt you owe them through court proceedings; 5) you die; 6) you file bankruptcy; 7) you do or fail to do something which causes First Mid to reasonably believe you will not be able to satisfy your obligations you owe to First Mid.

Collection of Costs: You agree that you will be liable to First Mid for any costs incurred by First Mid in perfecting its secured position in the event that this Agreement is secured with any collateral. You authorize First Mid to advance sufficient funds under this Agreement to pay all costs incurred by First Mid in perfecting its security position. To the extent not prohibited by law you also agree that you will pay all costs of collections, whether secured or not, including reasonable attorney fees, together with interest at the default rate if you do not timely pay your obligations to First Mid.

Late Payment Fee: If a payment is 30 days or more late, you will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$25.00, whichever is greater.

Interest After Default: Upon default, including failure to pay within 30 days of maturity, the interest rate on this Agreement shall be increased by 2.000 percentage points in addition to the interest rate increase at maturity. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

Annual Fee: There are no annual fees to have this Agreement.

Applicable Law: This Agreement shall be governed by the laws of the State of Illinois.

Remedies: If you are in default of this Agreement, you understand that First Mid has any and all of the following remedies: 1) First Mid may demand immediate payment in full of all that you owe First Mid under this Agreement; 2) First Mid may set off against any rights you have to payment from First Mid; 3) First Mid may demand additional security or additional parties to be obligated to pay your obligations in exchange for not immediately using any of the other remedies in this paragraph; 4) First Mid may refuse to make any additional Advances under this Agreement; 5) First Mid may seek any collection efforts of any collateral that may exist under any agreement between First Mid and you; or 6) First Mid may use any other remedy available under any appropriate state or federal law. By selecting one or more of these remedies, First Mid does not give up its right to use any other remedies. If First Mid, in its sole discretion, waives its right to exercise any remedy upon the event of default, First Mid does not waive its right to later exercise any remedies based upon such default.

Waiver: By execution of this Agreement you agree you will not require First Mid to: 1) demand payment of the amounts due (presentment); 2) obtain official certification of non-payment (protest); 3) give notice that the amounts due have not been paid (notice of dishonor); 4) give notice of intention to accelerate; or 5) give notice of acceleration. You also give up any rights you may have under any valuation or appraisal laws, which may apply to you.

Governing Law: This Agreement will be governed by federal law applicable to First Mid and, to the extent not preempted by federal law, the laws of the State of Illinois without regard to its conflicts of law provisions. This Agreement has been accepted by First Mid in the State of Illinois.

Canceling the Account Agreement: You may cancel this Agreement at any time by notifying First Mid in writing. In the event you cancel the Agreement, you remain responsible to pay the principal balance, interest, costs and fees according to the terms of the Agreement.

Assignment: First Mid reserves the right to assign any or all of First Mid's rights and obligations under this Agreement to a third party. You shall not assign any or all of your rights and obligations under this Agreement without the written permission of First Mid.

Unauthorized Use of the Agreement: If you believe there has been any unauthorized use or charges to your Agreement, you must notify First Mid immediately by calling 833-594-0323 (reference "Direct Merchant Financing") or any subsequent telephone number as may be shown on the Billing Statement. First Mid may require you to provide certain information in writing to help First Mid determine what happened, and to comply with such procedures as First Mid may require for First Mid's investigation.

Facsimiles: In the event that any signature is delivered by facsimile (fax) transmission or by e-mail delivery of a ".pdf" format data file, such signature shall be considered a binding signature and shall have the same force and effect as an original signature. You will ensure that all documents bearing the original signature will be forwarded to First Mid as soon as possible after being faxed or emailed via ".pdf", but failure to provide such documents with original signatures shall not affect the ability of either party to rely on fax signatures to the same extent as an original.

Disclosure of Information: If your Agreement is approved, First Mid may from time to time, use the above information and other personal information collected or compiled by First Mid in connection with this Agreement (including account status and payment history) (collectively the "Information") and share the Information with the Merchant and First Mid's affiliates and/or agents for the purposes of including, but not limited to, opening, administering, servicing, transacting on and enforcing your agreements, collecting amounts owing to First Mid or its assignees, verifying and evaluating your current and ongoing creditworthiness and financial status, responding to your inquiries and otherwise communicating with you regarding your account(s), including contacting you regarding extensions or renewals of this Agreement.
